VEGETABLE PROCESSING

The petition to revive under 37 CFR 1.137(b) filed 13 April 2006 in the above-captioned application is hereby GRANTED as follows:

Applicants' statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" meets the requirements of 37 CFR 1.137(b)(3).

A review of the application file reveals that applicants have submitted the basic national fee and the requirements of 37 CFR 1.137(b) have been satisfied.
